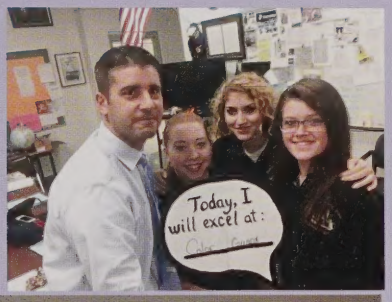
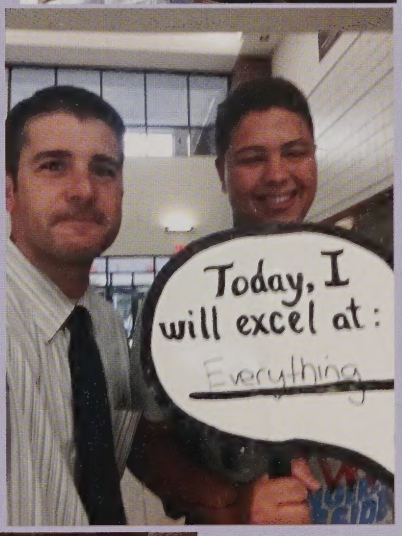
THIS YEARS SENIORS ARE THE LAST GRADUATING CLASS OF THE 1990'S. SO WE HAVE DECIDED TO DEDICATE THIS YEAR'S BOOK TO '90S POP CULTURE.

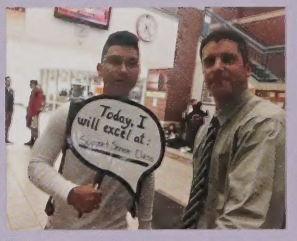
OXFORD HIGH SCHOOL

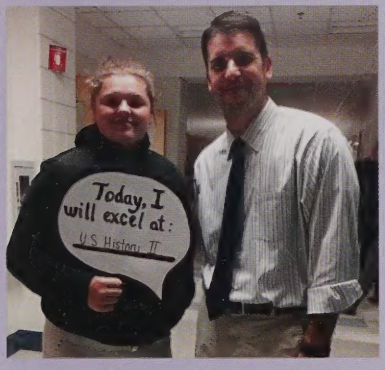
2016-2017

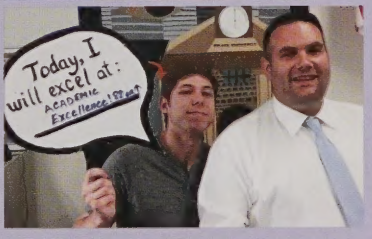
ASSISTANT PRINCIPAL, SCOTT CONNERY, HAS DEDICATED EVERY THURSDAY TO MAKING SHOUT-OUTS ABOUT WHAT STUDENTS AND FACULTY WILL EXCEL AT THAT DAY.

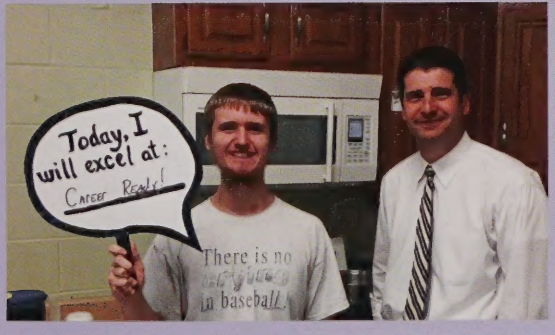


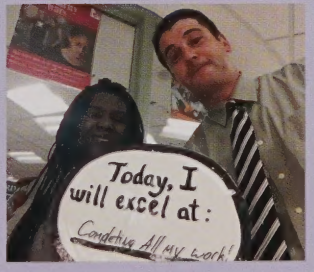


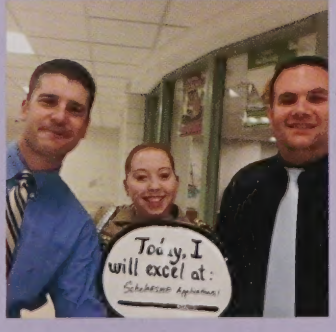


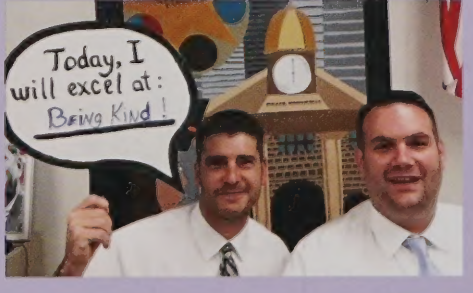










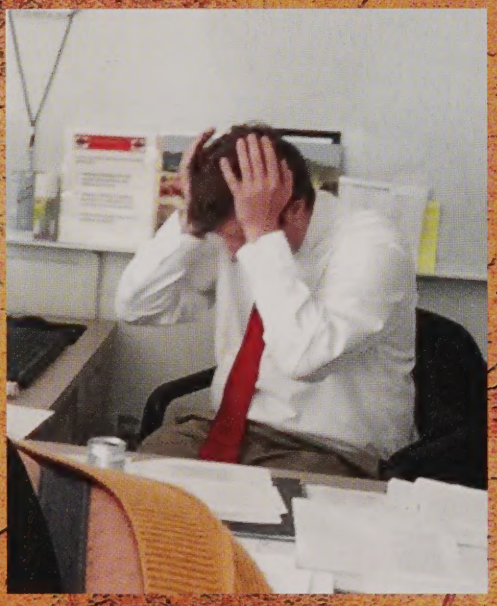


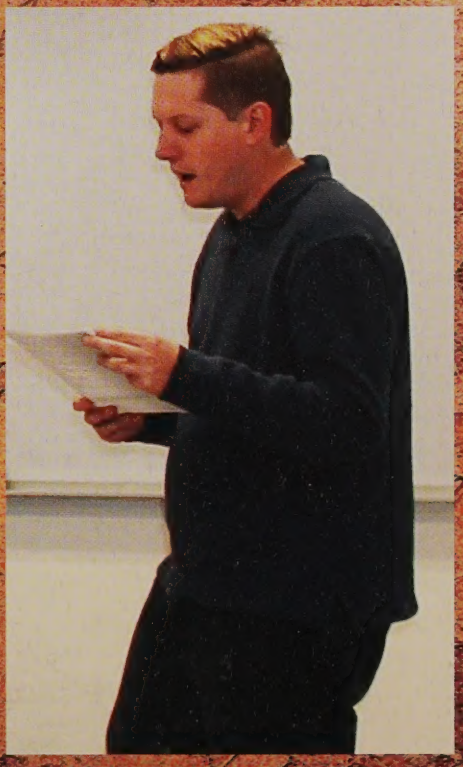
Legend of the Oxford High Temple

PAUL FRYKBERG

Every year, the graduating class votes on a teacher that they believe goes above and beyond, both in and out of the classroom. This year, the Class of 2017 voted to dedicate our yearbook to...

Mr. Frykberg: English Teacher, & Soccer Coach.





"Mr. Frykberg is just one of those people you can't help but appreciate. The opportunities he has provided me with have one-hundred percent, without a doubt helped me beyond comprehension. Without Mr. Frykberg, I would be unable to be the person I am today, a lover of art and writing. He has opened my eyes to all sorts of thoughts that I would never have considered before being introduced to him. He has pushed me to strive further than I thought imaginable, and then some. I know that Mr. Frykberg believed in me when no one else did, and that is something I could never repay him for. Mr. Frykberg has helped me in the process of getting my portfolio up and running so that I can become a published writer and reach my dreams. I will truly never forget the impact Mr. Frykberg has made on me as he is one of the greatest people I have ever known, and he will always hold a special place in my heart."

- Rebecca Hope, Senior

Congratulations Class of 2017:

You did it. No, you SO did it! Over the course of your four years at Oxford High School you have continually risen to every challenge put before you. As a Class you raised the bar on academic expectations forever here at OHS and you did it with grace and dignity. Each of you should be proud.

As you continue on your journey, whether by joining the world of work, the world of service or by continuing your education, I hope that you will look back at your time as a Pirate fondly and employ the skills that you've mastered over the past four years in a productive manner. Remember, wherever you end up is of your choosing, as Dr. Seuss so eloquently put it, "You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You're on your own. And you know what you know. And YOU are the one who'll decide where to go..."

Congratulations and best of luck on all of your future endeavors!

Sincerely,

Ross A. Thibault
Principal

Hey Class of 2017,
This is it guys, we're here, we're finally seniors. The end is here and when now that all is said and done, I hope you can all say you made the best of our time together. I hope the memories of high school are happy and beautiful, despite all the bumps we've come across. I hope you know all the nights you spent cramming, the days that felt endless, the moments you wanted to give up-- were worth it, you made it. We finished our reign here at Oxford, and we've left it in style.
I wish you all the best of luck in this life, don't waste a second of it.
-Class President Sara Stauffer

To Miss Russo, from your

Freshman Year President: Shane McCarthy

Dear Ms. Russo,

I would like to take this chance to thank you, your guidance, your leadership, and your support of our class. When I ran for President I was unsure of what we were supposed to do. Sadly, our Vice President Arber was no help. Quickly, we realized we were expected to put on a skit for the homecoming activities. With your excellent guidance, we put on a phenomenal version of "Rumpelstiltskin" which could've been a lot worse, maybe . Luckily, we learned from our mistakes and were able to carry out the rest of the year in a fashionable manner. More importantly, you were always there for us helping us in any way you could. Throughout the years you have helped countless of students in many different ways. I know I speak with the class behind me when I say thank you.

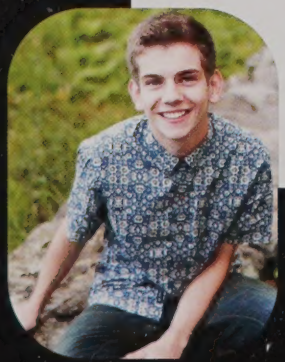
Kindest Regards,
Shane

Sophomore Year President: Aidan Rawson

Dear Miss Russo,

As class president sophomore year, I was asked to make some extremely difficult decisions. WIthout your help, I would not have been able to do anything. You were always there for me and the entire class of 2017. I speak for all of us when I say that without you this class would not be as amazing as it is. Thank you for being you.

Sincerely,
President Aidan Rawson



Past & Present Class Presidents

Junior Year President: Natalie Bolio

Dear Miss Russo,

Sometimes students forget the impact that teachers have on them. Schools are busy places, and students are busy people, so it's not surprising that sometimes we miss out on chances to stop and reflect upon the influence that we have had. Miss Russo, you are one of the many wonderful teachers here at Oxford High School. I feel privileged to have not only had you as my teacher, but being able to serve as class president my junior year. In and out of the classroom, you have always been my core support system, offering me advice and guidance through all four years of high school. My reign in presidency shared with you was one of the most memorable times in my high school career and I wish to be a resemblance of you embarking on my new chapter in life. Thank you for being an outstanding teacher, advisor, but most importantly, friend. I will truly miss you next year! Thank you for all you've done for me and the class of 2017.

Love,
Natalie F Bolio <3

Senior Year President: Sara Stauffer

Miss Russo,

Thank you for being one of the most influential people in my life since freshman year. You encouraged (or should I say forced) me to run for treasurer freshman year, now I am our president. I would not have gotten here without your continual, constant and consistent support. You have stuck by me through every tough decision, bad decision and every success. Thank you for being not only my class advisor, my teacher but my friend. I'll always be so thankful for what you've done for me and all of my peers. Thank you Miss Russo for having the kindest soul. I literally love you. I'll miss you and probably be really lost without you next year.

Sincerely,
President Sara Stauffer

The faculty at Oxford High School goes above and beyond the expectations every single day to help make our school an inclusive, hands-on learning environment for all of our students. After helping transform us into a Level-One school, these Pirates have a lot to be proud of! We are thankful everyday for the countless opportunites and lessons our staff teach us day in and day out, and for all the hard work they do.

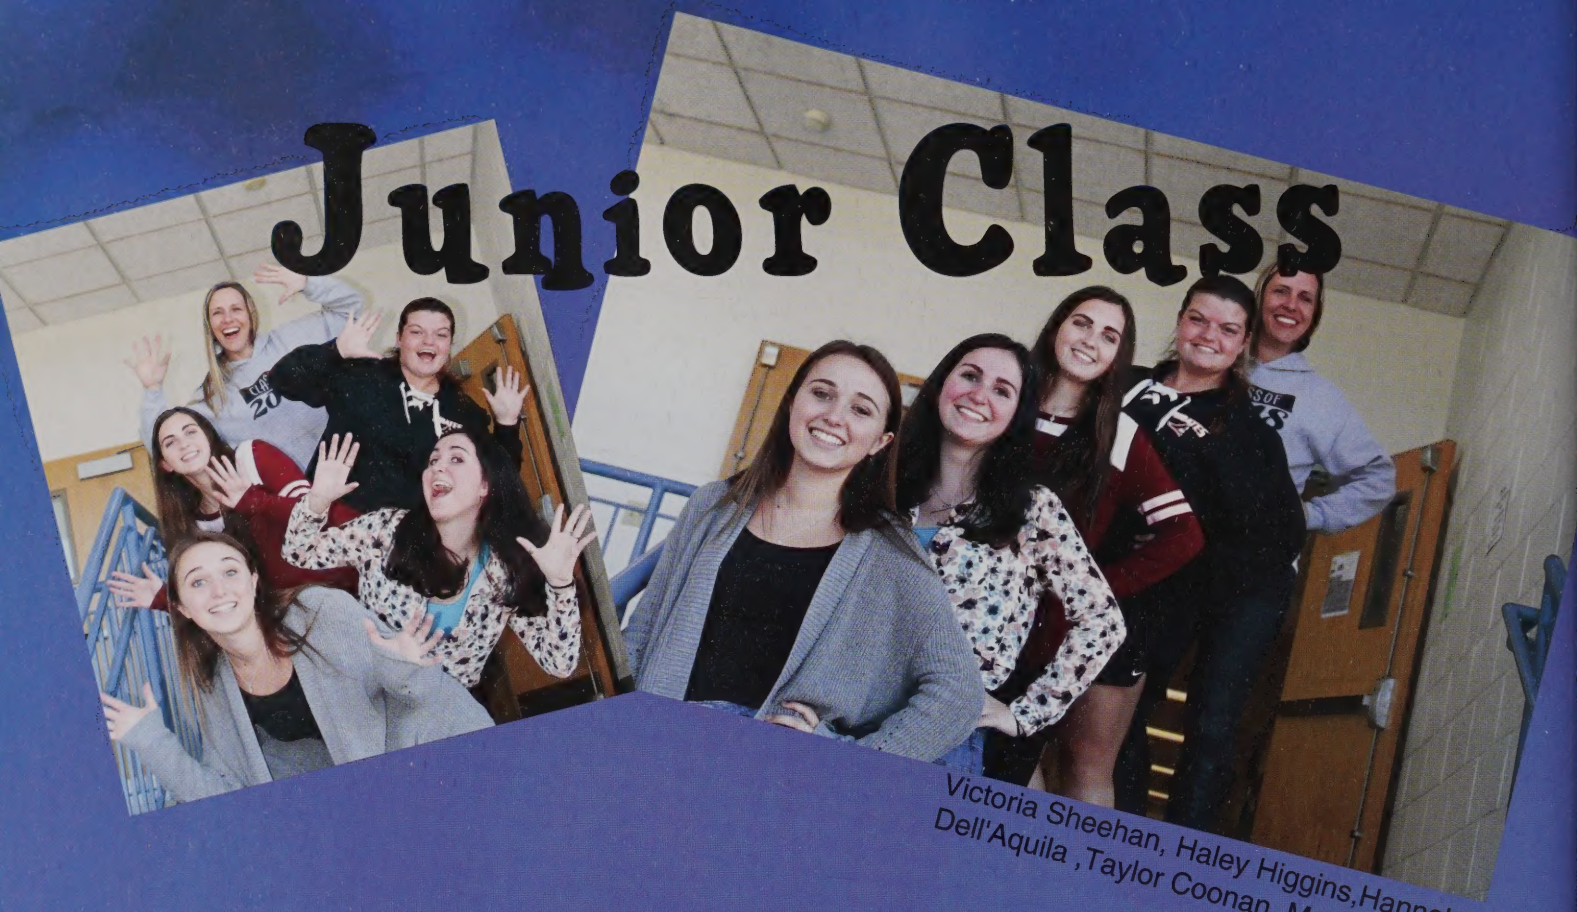
Junior Class



Victoria Sheehan, Haley Higgins,Hannah Dell'Aquila ,Taylor Coonan, Mrs. Taborda

To the beloved Junior class, We are OVER halfway done with high school, and I am overjoyed to have come this far with such amazing classmates. Not only that, but I am unbelievable grateful to have had the opportunity and honor to serve as your president for this third year. After last year's Deck the Halls and this year's Tug of War domination, it is clear that we all work well together with the urgency to "get things done." No matter what we're currently focusing on, it's always our goal and I strongly believe that we always do. You all turn to me when we're stressed out with time or can't figure something out, however it's all of you that have the answers. I aspire to one day be as brilliant and creative as each of you are; I wish I had the ability to express how much the determination and the minds of this class work everyday to shape me to who I am. The participation of these genius—yes GENIUS— people mean the world to me because it shows how much they all care about not only their class, but their short (dare I say, too short) time here at Oxford High School as much as I do. Thank you all for being who you are and such important people in my life, even if we're all just big babies. Thank you for everything and then some, I know senior year will be just as stupefying, if not more

Class Officers
Tina Winsky, Suzannah Lambert, Peyton Coonan

I'm Suzannah Lambert, the president of the class of 2020 and am very grateful to be. The position has several positives. I am involved in the school and my class in a very special way that not many people are. Also, I have the opportunity to impact my class's lives and make their time at the high school the best it can be. It is my role at the president to work with my class and fellow officers to plan events and raise money for my class. With the position comes a few negatives, like whatever my class does reflects back on me, which can be good and bad. Even though we didn't do very well this spirit week, I feel like we can definitely do better next year. Overall, the positives greatly out weigh the negative and I am extremely honored to be the president of the class of 2020.

The Eighth Grade

This year Oxford High School had the pleasure of welcoming the eighth grade into the school to experience the high school before coming freshman. We also welcome you into our yearbook!

Class officers:
Joseph Szela, William Tyrrel, Ashley Harris

Class Advisers: Mrs. Pimentel and Mrs. Looney

In this yearbook I, the editor in chief, had the honor of welcoming in the 8th grade to the high school by creating their spreads in the yearbook. Personally from the Yearbook staff, we hope that the next 5 years at the high school are memorable ones and that you enjoy the time with your friends before graduation. Always follow your dreams and believe in yourself. You **SO** can do this!

Student Council, by definition, means "a representative structure for students only, through which they can become involved in the affairs of the school, working in partnership with school management, staff and parents for the benefit of the school and its students." To me, Student Council means much more than just a definition. It's about being a role model for younger kids in the school and the council. In Student Council, you take on a leadership position like no other. All year round we work hard to make the school a better environment with acceptance, guidance, and school spirit. With the help of our amazing advisor, Mrs Spitz, we've made monumental achievement including successful pep rallies, Special Olympic events, and so much more. Due to our passion, spirit, and love for leadership, we have become one of the top councils in the state by earning Gold Council the past four years in a row. I feel privileged and honored to run this amazing group of individuals from grade 8-12. Student Council has changed my life. I'll never forget the memories I've made, the people I've met, and the people I've lead this past four years

Over the past year, I have had the privilege of leading this group of dedicated students at OHS! It's been an honor and a joy to watch these students step up to the plate and maintain the core values of the National Honor Society- Scholarship, Character, Service, and Leadership. We have dedicated our time through events such as the UMass Medical Center Cancer Walk as well as to independent charitable groups like Andy's Attic and Be Like Brit. We have also had over 2,017 pairs of socks donated through our Socktober Fundraiser and 200 gloves in Glovember. Without these amazing individuals, it would not have been possible to change the lives of many.

Dear Mom,
I just want to take the time to acknowledge all you really do for me. Your work in Operation Graduation has made all the differences for me and my experience this senior year. The hours spent planning and organizing all the programs and events do not go unnoticed. Not every parents concerns themselves with the question of "Will my child have a fun senior year?" but you stepped up to the plate in order to give me and the graduating class of 2017 a year to remember. So, thank you mom for always going to infinity and beyond to make my life a little bit more special.

Dear Mom,
Thank you for all you have done for me and my class this year. You have done an overwhelming amount of things to help make my senior year great from donating limitless amounts of items to volunteering your time at Op Grad events. Your work and marketing skills you apply towards Operation Graduation have contributed to making my senior year great. I can't thank you enough Mom for all the effort and time you put into doing things for me to have an unforgettable senior year.

I am unbelievably thankful and proud to be the first President of National Art Honor Society. Advocating art has always been a desired achievement of mine and I could not imagine a better way other than NAHS. Our ultimate goal is to spread and expose art to others and I truly feel that as a first year group we have done nothing other than succeed. I cannot wait to see where NAHS goes and what the future has to offer, especially with such a growing community. I envision only a more colorful magnificence for our town because of these creative, warm hearted individuals.

When I first started at Oxford four years ago, I was afraid that I wasn't going to fit in or find my club of interest. However, Mrs. Mwenye completely reversed that thought and introduced me to the yearbook club. Yearbook has become my favorite club and activity at the high school. I've met so many amazing people and have learned a lot of new material, like editing pictures and taking the perfect photo. Past and present members have been my mentors and close friends. This years staff have been so hard working and dedicated, I could not ask for a better staff! Our advisers, also have been extremely influential and dedicating to helping us make the book as amazing as it is. The yearbook has come a long way and we have put many countless hours into working on it. I hope you enjoy this book as much I have working on it. To future members: enjoy the time you have working together and work hard. Don't stress, work out issues as a team, and don't forget to have fun!

-Lauren Cady
Editor in Chief

I can honestly say that serving as the assistant editor of this yearbook has been the greatest learning experience of my life. Our staff is the most dogged, hard- working group of people I have had the privilege of working with. We built this book from the ground up, and watching it come to life is one of the most rewarding feelings ever. I appreciate all my yearbook babies **SO MUCH!** Special appreciation goes to Evelyn & Courtney for being the best advisers!

Throughout the last year, it has been a pleasure getting to know the new players and seeing the returning players again. Although our final record wasn't where we hoped or where we expected, we had a great season considering how much we had to overcome as a team. Although you didn't always make Richard and I jubilant, your determination and desire over the season made us proud to call you our teammates. For some of us seniors, we are leaving something that has been a part of our life for the last five years, but the memories we have made will be with us for a lifetime and is a part of who we are. It has been a pleasure being your captain this season. Good luck next year, in school and on the pitch.

As a captain of the girls soccer team, it was a pleasure to get to know and play with everyone of these girls. Every game they came to play and no matter what, a win or loss, we walked off the field together as a team. Each and every one of them brought something to the field. I am very proud to say I was a captain of the 2016 Oxford Girls Varsity Soccer Team. I could have not asked for a better season to end my high school career. I wish the team the best of luck in their future seasons.

- Senior Captain,
Korra Joubert

Football has taught me that nothing in life comes easy. Our team has gone through quite the change in the past few seasons. We were forced upon another bad season this year, but there was something else present this year that has not been in the program for an extensive amount of time; a sense of urgency to win. Passion and commitment surrounded us like no other year before. We possessed heart. Our team became closer than any other. Playing football for the Oxford Pirates has shown me what family really is. We all fit together so smoothly. Throughout the entirety of the season we were there to lift one another up. Thank you for showing me what family is, and more importantly, thank you for giving this program hope. It was a journey I will never forget.

Sincerely,

Mikey Peloquin (2016 Senior Captain)

The fact that this year was my last playing field hockey for Oxford High School didn't hit me until my last home game; and it hit me like a train. I'm not going to hide the fact that every last away game I played this season I teared up a little knowing I'd never be there again giving it my all on the field. Every victory was sweet and every loss was humbling. I've been playing this sport since I was eleven years old, and when it all started it was just a few girls who desperately wanted to play the sport they loved. We took that drive to play, made a team, have won countless games since, and even made it to districts. My life has revolved around field hockey since I was eleven, and I wouldn't have wanted it any other way. I have been playing year round since I started; the fall season into the winter sessions, from there to the spring sessions, then summer league until the fall season started again. From this I have learned many things, including that putting blood, sweat, and tears into something is not just an expression, and that it is completely worth it. In my years of playing I have given my all every single game, I have injured many things, I have cried, I have laughed, and most of all I have learned. I have learned dedication, ambition, trust, and I have learned to take pride in success along with learning to accept defeat. Field hockey has given me a 3x broken index finger, a boxer's break in my hand, a dislocated kneecap, countless sprained ankles, countless shin splints, even a bone tumor from a broken foot, but is also has given me the best years of my life, and most of all it has given me the greatest thing you could have; a family. To my field hockey family; I love each of you with all of my heart, thank you for making the past seven years of my life playing this sport worthwhile. Always give it your all while you're playing, until it hurts, and then give more. Do not, under any circumstance, quit on yourself or your team, you are all better than that. Alexis, thank you for being for being such a good teammate, such a great Co-Captain, and such an amazing friend. To any athlete, love it while you can because one day you'll wake up and it will all be over, and you'll miss it like hell. I am proud to of been a part of this team, and I am proud to be a pirate.

How ahh ya?! As captain of the OHS Cross Country team, I would like to congratulate all of the runners for participating this season and thank Coach Craig for committing so much of his time to the program. Through triumph and failure the team continued to improve with great effort and especially hill workouts. What really made the season great were the unique personalities of the team. Jason and Jared brought the speed. TP, Jack, Brian, and JackMac brought the comedic relief. Finally Mike Gevry, our youngest runner, brought the future. As Mr. Craig would say, "Do Your Best, Forget the Rest".

- Senior Captain Matt Poutre

Thank you for such an amazing last Cross Country season! Out of all three running seasons Cross Country has always been my favorite, and every year I work tirelessly to obtain the five girls needed to be considered a team. This year I was blessed with eight girls willing to put in the time and effort it takes to be a fierce and competitive team, with a record of 3-7 .Over the course of the season I've gotten to know each one of these lovely ladies individually and tried my absolute best to be the captain they deserved. Everyday I observed as each one of them proved to be determined, competitive and improved with each practice. I loved every second that I got to lead this team and motivate them, especially when we sang "¡Vamos a la playa!" together while running some pretty arduous courses. Even when we feel like "Toast!", as Craig would say, we still push ourselves and each other. I will never forget the memories I made with all of you and I hope that you all will continue running because it isn't easy, but you can do it! Afterall Cross Country is one "Hill" of a sport! - Senior Captain Amanda Gevry

As one of the four captains of the volleyball team I have witnessed our team experience losses as well as wins. Starting off not knowing one another, or much about volleyball at all, many of us have come together becoming more of a family than a team. The endless dives on the floor, spikes, and digs allowed us to learn a new skillful game we grew to love. I could not be more thankful for the opportunity to help lead a group of wonderful people who will continue to help build Oxford's Volleyball program to reach it's full potential.

Girls Varsity Basketball

Left to Right: Captains Kayla Soto, Jordan Tremblay, Karlie Parmenter

I have had the pleasure playing basketball for Oxford High School since my freshman year. I was mentored by some of the best athletes that attended OHS and I have had an opportunity to play for a great coaching staff who believed in our program. This year, as a Senior Captain, I take my final journey and stand on the court with my teammates filled with pride and excitement to have been a Lady Pirate. It has been a great ride!

- Captain Karlie Parmenter

Through my high school journey, I had the privilege to play for the girl's varsity basketball team all four years and was a captain my senior year with two other great captains. It was a great experience playing and getting to know amazing group of girls. I will never forget the memories I made through my high school career, and never forget stepping on the court geared up for the last time.

-Captain Kayla Soto

I have had the pleasure of playing basketball with all of my friends since 6th grade. However my years playing at Oxford High School I will treasure for the rest of my life. From team dinners to the most intense close games to bus rides to away games, there was never a dull moment. Time flew by way to quickly, and I wish i had one more year to play with my friends but I am now starting a new chapter of my life. I am thankful that basketball has had such a significant effect on my life and I will never forget all the memories I have made.

The boys' indoor track team surprisingly had a phenomenal season, despite losing quite a few seniors. We were able to overcome that issue by adding some high caliber underclassmen to the team. Indoor track is always difficult, especially for the girls team. However, this season was one of our best in a while. We had the amazing opportunity to welcome aboard our brand-new girls coach, Erin McIntyre. She has motivated us to work tirelessly to beat our personal records and in the process became our friend along the way. I'm so grateful that I got to lead such a wonderful group of individuals and become the tight-knit family, that we now all are.

This year Oxford High School welcomed the Pirabotics Club which is welcome to all grades in the high school. The club is advised by Mr. Leblanc and the coadvisor Mr. Painchaud.

In late March 2016 Vice Principal Connery with support of Principal Thibault put forth the idea of developing a Robotics program at Oxford High School under the direction of Master Science teacher Mr. LeBlanc. This incentive has driven the creation of Oxford High's Robotics curriculum Program and the after school Robotics Club. The Robotics program took off at an amazing rate. Students of all grades are involved. Community support has been exceptionally enthusiast. Robotics club members have fabricated a robot for team "Pirabotics" that completes in FIRST FTECH challenges. Many enthusiastic individuals have encouraged our team such as computer Science teach "PC" James Pinchaud. The future holds a strong initiative to continue to build strong enthusiasm for the Robotics Program at OXHS and champion robots.

Goodbye Ms. Krantz

I walked into my first day of Junior English with Ms. Krantz scared out of my mind, little did I know that by the end of the year, she would become one of my best friends. Not only has she made me a better writer, but Ms. Marcia Krantz has reached far beyond the classroom and taught some of life's toughest lessons. I can easily say Ms. Krantz is my role model. Thank you for everything you have done for me and countless other students.

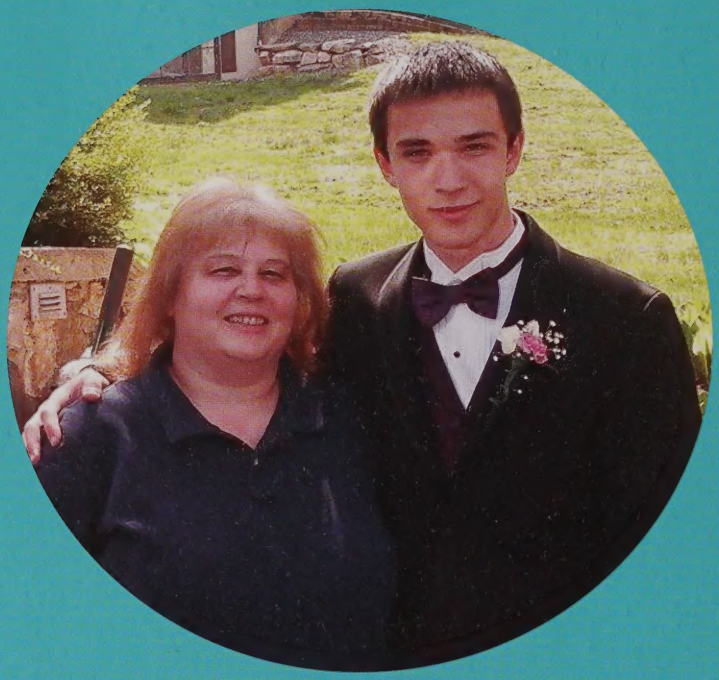
In memory of, Shannon Noelle Sullivan



December 20, 1966-January 4, 2017

Shannon Sullivan is the mother of Oxford High School alumni, Erin Sullivan and senior, Billy Sullivan. She fought against ovarian cancer for many years. Despite her medical condition, she still dedicated her whole heart and soul in the successes of her two children and loving husband, Tom. After a grueling battle, Shannon passed on January 4, 2017. She was a beautiful soul who embodied strength and virtue. She made a difference in the lives of the students of Oxford High School. Her presence at fund raisers and events, warmed and lightened the mood - always. She was the true MVP of Oxford. She will be so extremely missed and her memory will always be cherished.

To make a differences in the lives of other families battling ovarian cancer, donate to Ovarian Cancer Research Fund Alliance in Shannon's name.

We wanna see you run Anywhere you want
Never let the darkness hold you back No fear of getting lost
We wanna see you fly Way beyond the sun
Anything you're ever gonna dream We pray that it will come

Don't wanna see you cry Even when it rains
And we hope you don't forget this You were born for better things

But if you ever fall down straight to the bottom And you can't get back where you started
With no strength to stand We're gonna reach for your hand
When the going gets rough right when it's hurting We will be there to help bear the burden
Any place any time
You gotta know for you we'll fight!

Jordan,

How can this even be possible? How can you be 18 years old when I know it was just yesterday that I heard the words "it's a girl!" I thought your brothers had taken up my whole heart until I looked down at your little face and realized there was still a special place waiting just for you.

You were the sweetest little thing, Jordan! I can still see you running around the backyard picking dandelions and laughing as you would fall and roll around in the grass. You have given us so many memories ~ from your pretty little ruffled dance costumes to the number 4 on the back of your senior year basketball jersey. And no, I am not sad that my only girl plays basketball instead of being a dancer…watching you come out of your shell when you play has been amazing to see. The court is your stage and it is where you shine.

You have made me unbelievably proud... from the things you have said (or not said) and the things you have done (or not done). You make me proud by the friends that you have picked for your life and by the friends you made in someone to love. He treats you with the respect and love that you deserve and I am so thankful to him for that.

Stay true to yourself as this new chapter of your life begins. Work hard through school with all of its challenges; just remember what your goal is at the end. Do great things baby girl, we will all be here to help, protect, and support you.

We love you!

Final Farewell
from the 2016-2017 Yearbook Staff

I don't know why, but I think I might miss this school. Huh....whatever, Peace in the Mid East!
-Tristan Starr

I am so thankful for being apart of this years Yearbook Staff, I do wish all the Seniors the best of the luck and thank you for everyone who bought a yearbook and helped support us!
- Jack Cady

Being a part of yearbook for my final year in OHS has really transformed my experience as a student. I never envisioned that I would be working with such a diligent, hard-working group of kids on a fantastic, tangible memory that we'll carry with us for a lifetime. Thank you all for the most heart-warming, and endearing time on Yearbook!
-Aidan Rawson (:

Becoming a member of yearbook my senior year was an experience that I would never want to go back and change. From having the opportunity to create the cover of my class' yearbook to helping design the pages, it was definitely one of my favorite things about my last year at OHS. Although at times things were stressful, we did this as a team and made so many memories along the way that I'll never forget. Thank you to everyone who purchased our book & anyone who helped us in any way to make this book possible!!
- Kayli Lopriore

Having the opportunity to be apart of yearbook my junior and senior year of high school has been amazing. You are able to create something special for people to remember for years, and I'm thankful to have been able to do it. Join yearbook if you have the chance!!
-Cayce Pappas

I really can't believe it, the final deadline has passed, and graduation is here. My two years in yearbook were very special to me, it let me be apart of something bigger than myself, it was a lot of hard work but totally worth it. I'd like to thank all those who bought yearbooks and enjoying the work that not only I did, but the entire committee, I'd also like to say goodbye to OHS, after 4 years here it's a tad bittersweet, but it's time to move on to bigger and better things.
- Kaitlyn Zindle

Being a part of the Yearbook Staff my senior year has been such a wonderful experience. Creating pages, and capturing memories has been one of the great things I've been able to do my last year here at OHS. I will cherish the memories made with this great group of friends, although it was stressful at times, we made this book together. Thank you to everyone who purchased a book and made this yearbook come together!
- Emalee Rebello

Hey kids, join yearbook. It has been such an honor and joy being able to construct this book, knowing that this will be one of the only things that any of us will leave high school with. Get involved and stopped thinking you can't, because you can.
Yearbook is the best. Mrs. Mwenye is the best. Everyone in the yearbook is the best. JOIN YEARBOOK.
Bye Oxford High School, I'll always miss you a little bit, not a lot.
- Sara Stauffer

Well, the end of the book is here. The long journey of creating this masterpiece has come to an end. As sad as it is to part ways from my fellow yearbook members after graduation, I will still hold them near and dear to my heart for all their hard work and dedication that has been put into this book. A word of advice to underclassmen or those looking for the club for them - join yearbook. You will not regret the opportunity and experience. To the class of 2017, I wish you the best and hope that you all follow your dreams. Best wishes. xo
-Lauren Cady

Donald J. Trump, billionaire businessman and reality TV show star, was elected as the 45th president of the United States on Nov. 8. While his opponent, Democrat Hillary Clinton, the first woman nominated by a major political party to run for president, received more popular votes, Trump won in the Electoral College, 304-227. He is the first non-military leader and non-politician to win the job.

Trump said it was time for Americans "to come together as one united people." In her concession speech, Clinton said, "Donald Trump is going to be our president. We owe him an open mind and a chance to lead." President Obama reminded Americans that we are "all on the same team."

Trump, a Republican, was inaugurated on Jan. 20 and went to work with a Republican majority in both the House and Senate.

Long-time sports broadcaster **Craig Sager** died after a long battle with leukemia. Sager, who worked as an NBA sideline reporter for TNT and TBS, gained wide fame and popularity for his entertaining interviews and colorful suits.

Hurricane Matthew pounded Caribbean nations before heading up the Southeast U.S. coast, making landfall in South Carolina Oct. 8. At one point, 2.3 million people were without power.

After 108 years, it finally happened. **The Chicago Cubs** ended the longest championship drought in sports when they defeated the Cleveland Indians in seven games to win the 2016 World Series.

Naturally it wasn't easy, as the Cubs became just the sixth team in baseball history to overcome a three-games-to-one deficit to do it. The seventh and final game dramatically went into extra innings, and through a rain delay, before Chicago clinched an 8-7 win.

The city of Chicago estimated that nearly five million fans swarmed into downtown Chicago two days later to attend the Cubs victory parade.

More than **30 wildfires** raged in the Southeast U.S. in the fall, including one that damaged much of Gatlinburg, Tennessee. Singer Dolly Parton donated $1,000 per month for six months to affected families.

Drug manufacturer Mylan faced harsh criticism after costs of their **EpiPen** injection device, commonly used to treat those who suffer severe allergic reactions, soared to $600. Mylan responded by releasing a generic version.
